EXCLUSIVE

The Polaris® TR28P pressure-side cleaner delivers powerful and proven cleaning results for all in-ground pool surfaces.

The Polaris TR28P vacuums and effectively sweeps and scrubs with the TailSweep PRO®, collecting debris into an attached debris bag to help prolong the longevity of your pool's filtration system.

Powerful, Comprehensive Cleaning

Dual Venturi Jets create powerful suction to clean pool floor and walls

Large Debris Intake

Capable of collecting leaves, pebbles, acorns and other large debris

TailSweep PRO Included

Clears debris from corners and eliminates spraying outside the pool
